PRE-CLEANING & DECONTAMINATION

CAR GODS
— 54 —

When detailing a car, the first thing to do is pre-treat any stains present. This is where Thanatos the God of Death, Ares the God of War, Perseus, and Hades the God of the Underworld come into play, together eradicating the toughest of dead bugs, stubborn tree sap, removing excess iron oxide fallout and tar spots with ease.

GOD013 - 1L

HADES

ALMIGHTY POWER PRE WASH

Delve into the depths of the Underworld and acquire the abilities of Hades, the Unseen One, to help pre wash the vehicle to a Godly standard. Hades is an Almighty Pre Wash that easily removes light contaminants from your bodywork such as road grime, bug deposits and loose dirt. By removing these loose contaminants, Hades aids in the reduction of bodywork swirl marks and marring during the washing stage.

PERSEUS

TAR DISSOLVER

Perseus was brought in as a brute, a warrior, someone strong to remove the tough, tar spots that latch onto the car all year round. This formulation eliminates tar spots effortlessly, leaving a clean, protected surface ready for the next stage of the vehicle treatment.

GOD015 - 500ml

THANATOS

BUG & SAP REMOVER

Call upon the God of Death, Thanatos to eliminate embedded Bugs and Sap from the vehicle windscreen, headlamps and painted surfaces with ease. Not only does Thanatos leave a clear, streak free finish but also improves safety by restoring full vision back to the driver. Safe for use on paint, trim, glass, wheels and metal.

GOD012 - 500ml

A R E S

FALL OUT ELIMINATOR

Brandish the untamed aspect of war as you tackle persistent iron contaminants with Ares, a specially formulated Fall Out Eliminator that targets stubborn invisible ferrous deposits within minutes. Just simply spray on, stand back and watch Ares target, dissolve and detoxify all exterior surfaces. Safe for use on paint, trim, glass, wheels and metal.

BODYWORK & PREPARATION

CAR GODS
— 54 —

Once the stubborn contaminants have been removed and the pre-treatment stage has been completed, a full body wash is the next step within the detailing process. **Call upon Triton to bring wave after wave of snow foam** – coating the car in a thick layer of shampoo or summon Proteus the God of Sea and Rivers to annihilate tougher dirt and road grime patches. It's important to remove as many contaminants from the car surface as possible before restoring bodywork or applying protection to the paintwork.

GOD022 - 500ml

PROTEUS

PURE SHAMPOO

Seize the power of the rivers and oceans with Proteus to effectively tackle the most stubborn of surface contaminants with ease, whilst being gentle on wax and sealant layers. The unique pH Neutral formulation that Proteus possesses effectively breaks down caked in dirt and grime, leaving streak free spotless bodywork worthy of worshipping.

HELIOS

SOFT TOP CLEANER

Helios is a specially formulated dual action fabric soft top cleaner that effortlessly removes bird lime, dirt, grime & moss, whilst cleaning and revitalising the appearance of the hood. This deep penetrating formulation removes surface contaminants without damaging the appearance of the hood.

GOD023 - 500ml

GOD024 - 500ml

PONTUS

SOFT TOP WATER SEAL

Pontus Soft Top Water Seal creates a divine protective barrier for the hood whilst improving the appearance of the soft top. This quick and easy application will reproof, protect and preserve the cabriolet hood, extending the life of the hood whilst keeping it looking clean and fresh.

TRITON

ARCTIC STORM SNOW FOAM

Summon the torrents of the seas with Triton to wash away stubborn dirt and grime with ease. Our specially formulated pH Neutral Arctic Storm Snow Foam masks the whole car in a thick layer of foam that effectively loosens and removes surface contaminants and road grime whilst seeping down the body. Perfect for use before contact washing. Does not strip waxes or sealants. Developed for use with a pressure washer.

HYALINE & PURIFICATION

CAR GODS
— 54 —

Now that the vehicle's bodywork has been pre-treated and washed, the next step is to make sure the car's surface is as smooth as glass ready for applying a layer of protection over the paintwork. Nothing has come close to perfecting this role until now. Morpheus Clay Bar and Clay Bar Lubricant effortlessly work side by side to decontaminate the surface whilst creating a reflection only seen before in the dreams of the detailer!

MORPHEUS

CLAY BAR KIT

Morpheus Clay Bar Kit bestows the vehicle with smooth as glass bodywork that is blessed by the Gods. Claying is often overlooked by the average car owner, but to those who have discovered the effectiveness and Godlike appearance that follows, claying becomes an essential part of every detailer's cleaning process. The specially blended Lubricant and Clay Bar materials within Morpheus enables the user to remove inconspicuous surface contaminants whilst leaving the vehicle's bodywork sensationally smooth and clean, like something out of a dream. Kit contains 500ml Clay Bar Lubricant and a 100g Clay Bar.

DRESSINGS & RENOVATION

Now the vehicle is gleaming, scratch free and protected from the elements, the next step is to make sure the wheels and tyres are immaculate and streak free. Nyx Black Angel Tyre Serum coats the tyres with an exceptional layer of black gloss that protects the tyre whilst applying a wet look shine. Or for a super quick shine that lasts, try Adonis Tyre Glaze which coats the tyre with a sealant that reflects dirt and dust whilst locking in the deep black shine. Whilst Hermes and Apollo look after the rims.

GOD051 - 500ml

HERMES

WHEEL PERFECTION CLEANER

Hermes is a divine and powerful pH Neutral Wheel Cleaner designed to effectively remove baked on brake dust, road grime and dirt from alloy wheels and wheel trims. The gentle but powerful formulation changes colour as it dissolves and lifts the dirt away from the wheel surface. Safe for use on chrome, unlaquered, split rims and damaged wheels.

GOD052 - 500ml

APOLLO

WHEEL PERFECTION WAX

Call upon Apollo, our revolutionary instant wheel sealant to provide an invisible, protective shield over the wheel surface. Apollo's defensive barrier helps prevent the build-up of stubborn dirt, road grime and brake dust.

NYX

BLACK ANGEL TYRE SERUM

Call forth Nyx, the Goddess of Night, to encapsulate the tyre with a powerful gel formula that is as black as night itself. Nyx revitalises and conditions tyres providing optimum protection that lasts whatever the weather. For a satin finish apply one coat. For a glossier finish apply two coats.
